Description

Charming former barn, converted back in the 1970's and updated in more recent times, to provide this most delightful property, situated in the heart of the village.

At the front, there is a wide hallway, almost running the width house, having a cloakroom to the right and access to the utility on the left. A front door leads to an inner hall, where stairs rise to the first floor and a further door opens to the open plan kitchen/dining/breakfast room. The kitchen comprises an extensive range of units having oak work surfaces over and a 'Stoves' LPG/electric range cooker set into the inglenook. Double doors and a window open to the conservatory, which is glazed on three sides, with further doors to the garden. The kitchen provides ample space for a breakfast table, as well as the dining area, where there is a snug recess and a door to the sitting room. Here there is a feature fireplace with inset wood burning stove, exposed wooden beams and two sets of doors out onto the patio and garden. Finally on the ground floor, accessed from the kitchen, is the utility room, complete with space for a washing machine, tumble drier and fridge/freezer. There is also a 'belfast' sink and fitted storage cupboards, with a door at one end to the garden.

On the first floor, there are three double bedrooms and a family bathroom, leading from the landing. The master bedroom enjoys a dual aspect, as does bedroom three, with windows to the front and rear, with the master bed having built in wardrobes and shutters to both sets of windows. Bedroom two, enjoys a rear facing aspect looking out over the garden. Finally, the family bathroom, having an oak floor, is fitted with separate shower enclosure, bath, WC and wash hand basin.

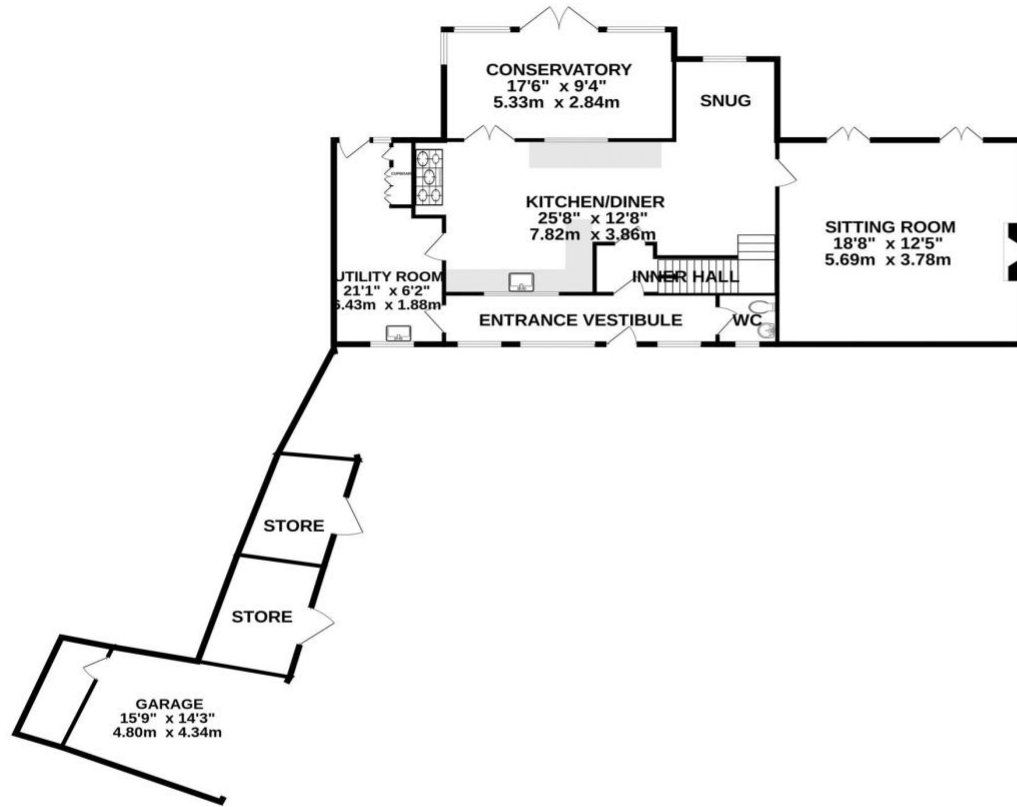

The property is approached at the front, over brick paved driveway with parking for several vehicles up to the front of the property. On the left there is a wooden carport, with a secure store at the rear, and adjoining, there are two further secure wooden stores.

The rear garden is enclosed and is well established with a fine array of mature shrubs and plants, including a banana plant. Here there is also a lawn and a patio extending from the rear and the conservatory. The well sheltered garden enjoys a secluded southerly aspect, ideal for 'al-fresco' dining.
