CITY GARDENS

Inspired by traditional Japanese interiors and complemented by an industrial twist which references the architecture of City Gardens.

Soft forms paired with natural lines create a peaceful and relaxing space.

DeTrafford Living brings you a carefully curated selection of furniture to inspire living with stand-alone pieces that breath life and individuality into the home.

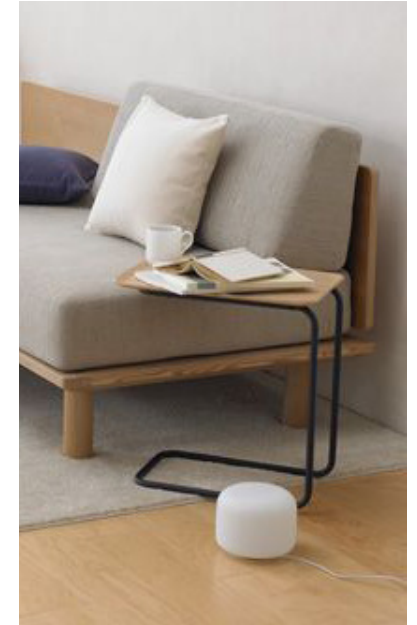

LIVING

The living spaces at City Gardens focus on the beauty of simplicity.

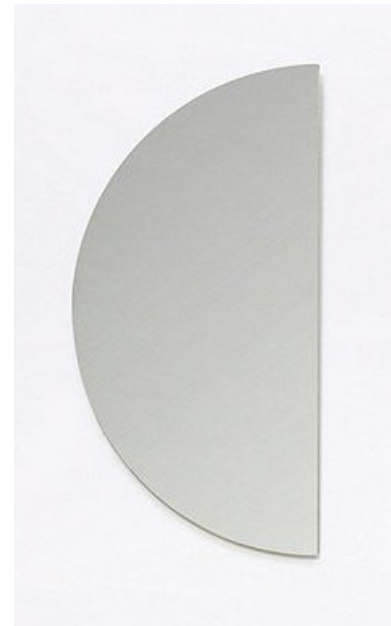

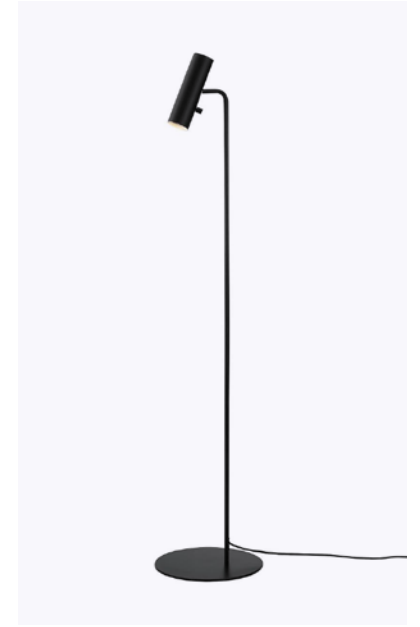

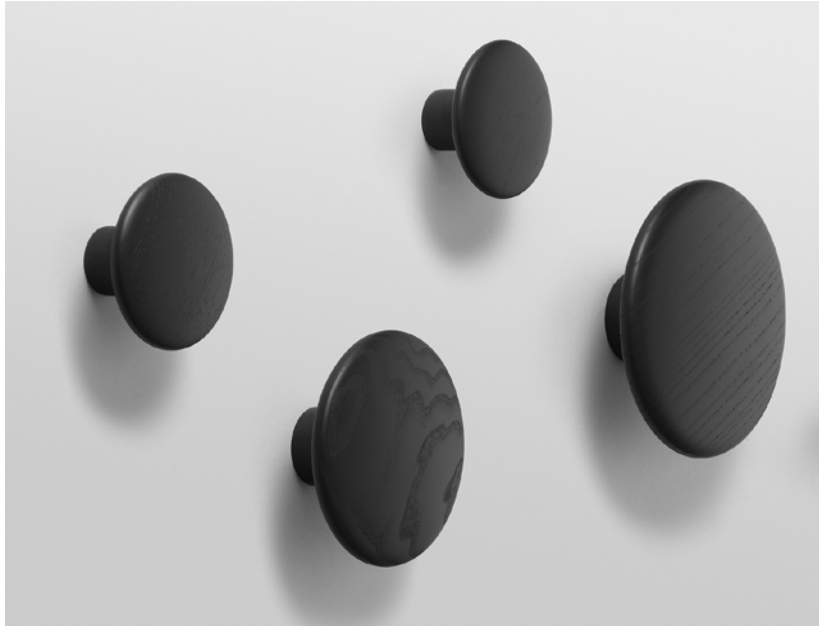

Functional, well thought-out and structured furniture with muted greens and clean shapes creates a zen-like living space.
