About the property

A wonderfully well-presented bungalow in the coastal village of Lake, this spacious two bedroom home comes to the market in tip top condition whilst offering wrap around gardens, plenty of parking and a garage with workshop to match!

Lake sits within the popular bay area on the island's South East coast, the location is easy reach of coastal paths and wonderful countryside too. The local amenities here include two supermarkets, a high street and also a popular leisure centre.

Occupying a corner plot, the current vendors have done lots to create a beautiful outside space which wraps around the home and ensures the space is relatively low maintenance yet with foliage and greenery too. The driveway is well formed with space for 2/3 vehicles and there is a garage too, which also provides a workshop space at the rear.

Internally, the property is bright and airy with lots of natural light, the presentation is neutral and very well maintained. There are two double bedrooms suitably complimented by a modern bathroom. The kitchen, lounge/diner and conservatory make up the living space and there is a large porch to the front.
