Prosperity Developments

Est—2007

Prosperity Developments embody an independent approach to residential and mixed-used developments – with affordable quality at the heart of everything we do. This philosophy continues to inform our work, refined over fifteen years of hands-on experience across schemes of varying sizes.

This brochure provides an inside look into the Southside Residencies, showcasing our individual approach to providing owner occupiers and buy-to-let investors with an exceptional opportunity to invest in prime city centre luxury apartments directly with us, the developer, through our unique purchase and payment options.

Very simply, this is about constantly refining our approach and making improvements where they're needed. This is shaped by our own experience but also by the experience of the individuals who live in the homes we've created.

SOUTHSIDE RESIDENCIES

Southside Residencies is a boutique development of 116 contemporary apartments in bustling Southside, a district of central Birmingham filled with rich multi-cultural heritage.

This renowned cultural quarter is home to some of the most talked about names in the arts and theatre world (Birmingham Royal Ballet, The Hippodrome), along with a wide array of bars and restaurants, artisan retailers and independent businesses.

Both innovative start-ups, major names in the creative industries and retail (Bullring, Selfridges) are converging on this 24-hour neighbourhood giving it an authentic character all of its own.

Combining the ambition of Birmingham's entrepreneurial culture with the independent spirit of the surrounding Chinatown and LGBT community further strengthens the area's reputation as one of Birmingham's most exciting places to live and invest in.
