This newly decorated, interior designed superb two-bedroom apartment is located in the heart of South Kensington. The apartment consists of a large bright reception room with which opens onto a modern open plan kitchen with fully integrated appliances and stone worktops, two double bedrooms, a modern fitted bathroom, and a guest cloakroom. The apartment is situated on the third floor of a private ported building benefiting from lift service. The property is available to rent furnished or unfurnished.

This beautiful Mansion block offers light, spacious and modern living accommodation while maintaining many of the classical period features of the building. The apartments are set over 5 floors and are accessed via a lift. The flats can be rented on flexible terms either furnished or unfurnished.

The property is just moments from the fashionable restaurants and designer retail shops of Knightsbridge, South Kensington, Sloane Square and the iconic Kings Road with a hive of local activity.

Harrods neighbourhood is the most expensive central super prime London location, as it is claimed, although more expensive London new-build homes and mansions in other locations are offered now on the market.

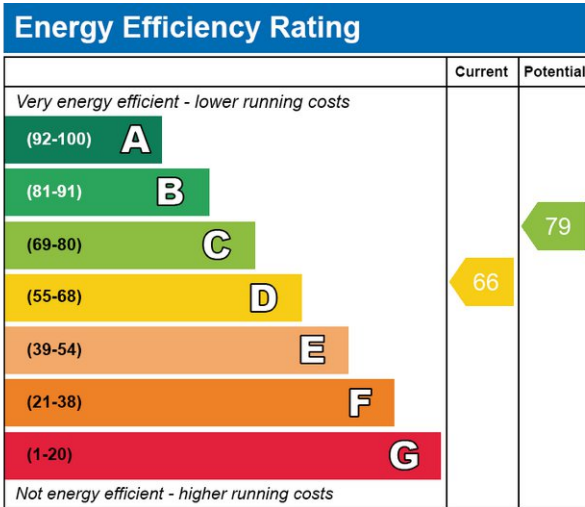

Apartment is perfectly located in the heart of Kensington and Chelsea in the highly sought-after Brompton Cross area.

These Chelsea apartments are two minutes away from South Kensington underground station (served by the Piccadilly, District and Circle lines) and within walking distance of Sloane Square underground station.

The above rate is a subject to minimum tenancy of 6 months. Property is exclusive of bills and subject to contract and receipt of satisfactory references.
