## Els Algars, Alicante 03829 REDUCED €149,995

We are offering for sale a three-storey country house with views of the mountains, valleys and the town. The house has an elevated position looking over Cocentaina, in the middle of an ancient pine grove and with an easy access from the tarmac road. It is walking distance to els Algars, the district of Cocentaina, only minutes- drive from Alcoy and about 40 minutes from Alicante and the Costa. The plot is 8000ms with mature pines, olives, almonds and fruit trees. The immediate area of the house would look beautiful if landscaped - it is a private, tranquil space with far reaching views and grand ancient pines as centrepieces. The house has 350 m2 over three floors. The construction is solid with thick stone antique walls in perfect condition. There are well preserved traditional wooden beams as well as newer concrete girders which are one of the tokens of continuous maintenance work done by the family.
