Incredible Triplex apartment in an amazing location. Finished to the highest standards and with 2 terraces, one that gives you stunning views of the 'Iglesia San Francisco de Asis' church and the Sierra Oliva mountain range. There is a private ground floor lift that takes you to all 3 floors. On the first floor there is a large shop that could be left as it is or converted into living accommodation as there is a kitchen and bathroom already in place. On the 2nd floor you enter a hallway and to your right a stunning ultra modern fully fitted American style kitchen with large island. Just off the kitchen is a fantastically equipped WC with stylish feature wall on the exterior. Two large windows are complimented by a set of double doors that lead you out onto the large outdoor patio area, complete with separate workshop/utility room.
