### Caudete, Albacete 02660

€169,995

This secluded 6 bedroom, 2 bathroom Villa in the Caudetan countryside has many features, yet still has plenty of scope to become even more.

Large double gates lead into the main garden area and a driveway takes you down to a shaded parking area or indeed the large garage (currently being used as a workshop). The house is entered through a large covered patio/porch area and opens up to a large living/dining area with an impressive centerpiece open fire.

There is one double bedroom to the back of the living area and the kitchen is semi open plan. There is plenty of space to expand the kitchen into the living area if so desired.
